**Payments:**

All drivers will be paid within 36 hours from once BOLs are submitted and processed from factoring company

All drivers will be paid through our account department by QuickBooks.

**Lease On Policies:**

- All trucks must be covered with owner operator's insurance with the certificate holder on COI for J&A Global Transport
- All minor and major accidents will be responsible for the owner operator during the lease on program.
- Any tickets, fines, tolls, will be reported to owner operator who will be 100% responsible for any traffic or vehicle violations
- Any fines from DOT or FMCSA that are reported from the owner operator's truck will be held responsible for the owner operator.

Any driver negligence such as not completing load, abandonment of truck, obligations, driving mishaps, as getting stuck under bridges, jack-knifing, not completing routine inspections, etc could result in fines or deductions from pay due by the driver.

The expectations of this position is for all drivers to be responsible for completing on-time deliveries and complying with company's requirements. In the event of an emergency please see Drivers HandBook.

This contract is a 6 month agreement that starts on the start date of the first day until 6 months from that date. If any time within the 6 month contract is not fulfilled, this will become a breach of contract. This is caused by immediate termination and all proceeds will be retained

All Owner-Operators must take a picture of MC sign and send in company group chat. MC signs must be placed on the side of the truck at all times.
