Hi,  
I hope you're doing well!  
My name is Elara Smith, and I'm an Insurance Adviser at Global Insurances. We're currently offering exclusive deals for trucking professionals — and I'd love to help you see if you're overpaying on your current policy.  
To get you a fast, personalised quote (within 24 hours), I just need a few quick details:

-----  
Truck Info:

- VIN Number
- Current Price/Value of The Truck
- Liability Coverage Needed

Driver Info:

- Full Name
  - Driver's License Number
  - Date of Birth
  - License State
  - Loss Run Certificate (if available)
- 

Once I have that, I'll send over a custom quote — no strings attached. Even if you don't switch now, it never hurts to have a backup option (and many drivers end up saving hundreds).

If you have any questions, feel free to reply or reach out anytime — I'm happy to help however I can.

Looking forward to helping you save!

Best regards,  
Elara Smith
