Hi,

This is Christine, your **Trucking Insurance Advisor**. I work with owner-operators and small fleets to make sure they're **properly protected** — and not overpaying for coverage.

Whether you're hauling local or interstate loads, I can help you secure the **right insurance package** that fits your operation and budget.

Available Coverages:

- Primary Liability
- Motor Truck Cargo
- Physical Damage
- Non-Trucking Liability (Bobtail)
- General Liability

To send you your **personalized same-day quote**, please share a few quick details:

- **Truck VIN(s)** (Make / Model / Year)
- **Driver Name(s) & License State**
- **Date of Birth(s)**
- **Loss Run (if any)**
- **Type of Freight you haul**

Once I have this information, I'll get your quote ready today — including any **discounts and ongoing offers** available for your profile.

Let's make sure your trucks are **covered right and save more**.

Best regards,
Christine Foxtrot
