**Loss Description:** Insured provided - Parked the truck, shut the truck off and noticed smoke coming under hood. I popped the hood noticed a flame near the gear box. I put it out immediately with fire extinguisher, 30 seconds later flame appeared again. I used 2 fire extinguishers to try to contain it but it finally engulfed in flames and we had to call 911. They took 15 min to arrive by that time the truck was fully on fire no damages to trailer just the truck, it burned everything till that back of the sleeper.
