Hi,

Just checking in — I'm still waiting for the details I requested so I can finalize your trucking insurance quote.

As soon as I receive the items below, I'll prepare your same-day estimate with the full coverage breakdown, discounts, and premium range.

**Needed Details:**

- Truck VIN(s) – Year / Make / Model
- Trailer info (if any)
- Coverages you want quoted
- Driver name(s), DOB, license state
- Loss history (or simply reply “**No losses**”)
- Type of freight hauled + operating radius

Once you send these, I'll get your quote started immediately.

Best regards,
