Hi Jennifer,

Thank you for your message.  
I'm with an independent insurance brokerage that helps trucking companies like **LEGACY FREIGHT AND LOGISTICS LLC** compare coverage and rates from multiple commercial auto insurance carriers.

We previously assisted your company in securing insurance on **11/26/2024**, and the details currently on file were provided by you at that time. Your company's basic information is also listed publicly through the **FMCSCA (Federal Motor Carrier Safety Administration)** records for all active DOT-registered carriers.

We never share or misuse any personal information — our only goal is to help ensure your trucking business stays properly protected at the most competitive rate.

If you'd prefer not to receive a quote this time, please let me know. If you confirm these details are correct, I'll send you your **official insurance quote** with an **estimated premium range of \$620 – \$670 per month**, along with any **current**

offers available for your truck.

Warm regards,
